

Zero
upfront
cost!

Ready. Set. GO!

Learn about the **GO** monthly subscription
for SenseHub[®] Monitoring

SenseHub® GO

One easy-to-understand,
monthly bill for all your
monitoring needs.

SenseHub® GO is a simple and affordable
subscription plan for the SenseHub® and
Dataflow II cow monitoring solutions.

As a subscriber you'll have access to these
application plans with zero upfront cost
and full flexibility to change or add to your
solution as your needs evolve.

Equipment, installation and applications
are all included in the monthly fee.

SenseHub®

Access all the benefits when you subscribe

- Supports multiple populations on the farm – cows, heifers
- Supports all available application plans – Starter, Advanced, Premium
- Allows mixed application plans on the same farm
- Allows mixed tags on the same farm – monitoring ear tags and monitoring neck tags
- Includes prioritized service and support
- Continuous warranty on all hardware and tags for the duration of the subscription
- Subscriptions are available as multi-year contracts, with exit points according to the agreement, and automatic silent renewal every subsequent year.

**Continuous
Software Updates
with enhanced
features**

**You'll get access
to advanced
on-site and remote
training resources**

Affordable

Get access to the full capabilities of the monitoring solution with no upfront costs, just a convenient, affordable monthly payment.

Simple

The **GO** subscription is calculated as a monthly fee per tag according to the application plan level. It is easy to order, and the billing statement is simple and easy to understand.

Flexible

Provides support for mixed populations, tags and application plans on the farm, and can be upgraded as needs change.

Peace of mind

A no-risk option, giving you access to new features, continuous service and no unexpected costs.
